RE: ADDENDUM NO. 1 TO REQUEST FOR  
PROPOSALS (RFP) PACKAGE:  
Seldovia Airport Improvements Design  
Services  
RFP # 25232026

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Proposals were received for this project on October 17, 2022. However, the Contracting Agency has identified the need to provide clarification to the Request for Proposals. Therefore, in accordance with 2 AAC 12.295, this addendum is hereby issued to the RFP Package.
2. This addendum changes the RFP requirements relating to criterion #4.
3. The original RFP included Electrical Engineering as a required function; however, it has been determined that Electrical Engineering is not required for this project. Therefore, it is not in the State's best interest to evaluate the proposals without first addressing this ambiguity.
4. Reference the Request for Proposals Package (RFP C – Evaluation Criteria), criterion #4 – Proposed Project Staff: Remove item #4 – “Electrical Engineering (Alaska AELS Type E License,” and replace with “Not Used.”
5. Reference Appendix B – Proposed Statement of Services:
  - a) Article B6, B6.3, Project Staff: Remove “TBD Electrical Engineering” from the list.
  - b) Article B24, B24.10.2, Lump Sum Estimates: Remove the 2 instances of the word “electrical” within the parentheses in the second sentence.
  - c) Article B24, B24.11.4b, Engineering Seals: Delete “or Electrical Engineer, as appropriate,”
  - d) Article B28, B28.1 – General: In the second bulleted item, delete the single instance of the word “electrical.” Add “etc. as applicable;” to the end of the sentence.
6. Originally submitted Proposals are secured in the Contracts Section. If an Offeror wishes to retrieve their originally submitted Proposals and make revisions, please contact Kathleen Bridenbaugh at (907) 269-0421 to make arrangements. In this event, Offerors are responsible to assure delivery of the revised Proposal prior to the new proposal due date of **November 3, 2022 prior to 4:00 p.m.** Proposals received after that date and time will not be accepted.

7. Alternatively, if an Offeror who previously submitted a Proposal in response to the RFP does not wish to submit a revised Proposal, no action is required. If no revised Proposal package is received by the Contracting Agency before the new proposal due date, the originally submitted Proposals will be evaluated in accordance with the RFP and this addendum.
8. In addition, any interested party who did not previously submit a proposal in response to this RFP but is now interested in submitting a proposal, must do so before the revised Proposal Submittal Deadline of **November 3, 2022 prior to 4:00 p.m.** Part A of the RFP, 15 – Special Notices, item #15.5, and the Submittal Checklist (Part B of the RFP) provide instructions for proposal preparation and submission.

Offerors are encouraged to call Kathleen Bridenbaugh at (907) 269-0421 with questions pertaining to this addendum.

All other terms and conditions remain the same.
